DETAIL NOTES

Students who enroll in upper-division business coursework before completion of lower-division requirements will be subject to enrollment restrictions.

Δ - *Graduate Coursework*: At the discretion of the Accounting Department and the Academic Dean of the Business College, qualified juniors and seniors may be allowed to enroll in graduate-level accounting courses to satisfy requirements for undergraduate-level accounting electives. Please refer to the Accounting Department for details.

Qualified juniors and seniors who plan to plan to pursue a Master of Accountancy degree should consult with the Master of Accountancy program coordinator for details about the requirements that must be met to qualify for early acceptance to the graduate program.
