GENERAL NOTES

Age of Credits: Business course credits earned within the preceding ten years may be applied toward an undergraduate degree from the College of Business. Business course credits completed more than ten years prior to the degree application will be reviewed by the course department head and dean (or a designee) to determine their continued suitability to satisfy current degree, major and minor requirements and learning objectives.

Section M80: Course section M80 is restricted to students completing one of College of Business online Marketing or General Business degree completion programs. Other online sections are open to the NMSU general population.

ASSOCIATE OF PRE-BUSINESS

By completing the lower division requirements for a Bachelor of Business Administration degree or Bachelor of Accountancy degree, you may satisfy the requirements for an Associate's degree in Pre-Business (PBA). Additional PBA degree requirements are a minimum of 66 earned credits hours; cumulative GPA of 2.0 and the last 15 credits must be earned at NMSU. You may apply for the degree once you have completed the required courses.
